See, (3)	I can't forget you	I'll be fine without you, yes I will	
After all that we've been through		Thought I couldn't live without you	
Going, coming though	t I (4) a knock	It's (7) hurt when it h	eals too (oh)
Who's there? No one		It'll all get (8) in tin	ne
Thinking that I deserve it		And even though I really love you	
Now I realize that I really didn't, (nooo)		I'm gonna smile cause I deserve to (yes I do)	
f you didn't notice, you mean everything		It'll all get better in time	
Quickly I'm learning to love again		Thought I couldn't live without you

Thought I couldn't live (6) you	It'll all get (9) in tin	ne
t's gonna hurt when it heals too, (ooh yeah)		And even though I really love you	
(It'll all get better in time)		I'm gonna smile cause I deserve to (yes)	
And even though I really love you		It'll all get better in time	
'm gonna smile cause I	deserve to		
t'll all get better in time
