

Fill in the gaps

The Keeper of the Stars by Tracy Bird

t was no accident me (1) you	I (12) I don't (13)	а
Someone had a (2) in it	(14) like you	
_ong (3) we (4) knew	There really are no words	
Now I (5) can't believe you're in my life	To (15) my gratitude	
Heaven's smilin' down on me	So I tip my hat to the keeper of the stars	
As I look at you tonight	He (16) knew (17) he was doing	
tip my hat to the (6) of the stars	When he (18) these two hearts	
He (7) knew (8) he was doing	I (19) everything	
When he joined these two hearts	When I (20) you in my arms	
hold everything	I've got all I'll (21) need	
When I hold you in my arms	Thanks to the keeper of the stars	
've got all I'll ever need	It was no accident me finding you	
Thanks to the keeper of the stars	Someone had a (22) in it	
Soft moonlight on (9) (10) (oh) how you	Long before we ever knew	
shine		
t takes my breath away		
Just to (11) into your eyes
