Fill in the gaps

Spaceman by The Killers

It started with a low light

Next thing I knew they ripped me from my bed

And then they took my blood type

They left a strange impression in my head

You know that I was hoping

That I could leave this star-crossed world behind

But when they cut me open

I guess I changed my mind

And you know I might

Have just (1)_____ too far from the floor this time

'Cause they calling me by my name

And the zipping white light beams

Disregarding bombs and satellites

That was the turning point

That was one lonely night

The star maker says it ain't so bad

The dream maker's gonna make you mad

The (2)_____ says everybody look down

Its all in your mind

Well now I'm back at home and

I'm looking forward to this life I live

You (3)_____ it's gonna haunt me

So (4)_____ to this (5)_____ I give

You think you might (6)_____ over

You caught between the devil and the deep blue sea

You better look it over

Before you make that leap

And you know I'm fine but I hear those voices at night

Sometimes... they justify my claim

And the public don't dwell on my transmission

'Cause it wasn't televised...

But it was a turning point

Oh what a lonely night

The star maker says it ain't so bad

The dream maker's gonna make you mad

The spaceman says everybody look down

It's all in your mind

The star maker says it ain't so bad

The dream maker's gonna make you mad

The spaceman says everybody look down

Its all in your mind

My global position systems are vocally addressed

They say the Nile used to run from east to west

They say the Nile used to run from east to west

I'm fine

But I hear those voices at night

Sometimes...

The star (7)_____ says it ain't so bad

The dream maker's gonna make you mad

The spaceman says everybody look down

Its all in your mind

The star (8)_____ says It ain't so bad

The (9)_____ maker's gonna make you mad

The spaceman (10)_____ everybody look down

It's all in your mind

It's all in my mind

It's all in my mind...
