Spaceman by The Killers

It (1)_____ (2)_____ a low light
Next thing I knew they ripped me from my bed
And then they took my blood type
They left a strange impression in my head
You know that I was hoping
That I could (3)_____ this star-crossed world behind
But when they cut me open
I guess I changed my mind
And you know I might
Have just flown too far from the floor this time
'Cause they calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
Its all in your mind
Well now I'm back at home and
I'm looking forward to this life I live
You know it's gonna haunt me
So (4)_____ to this life I give
You think you might cross over
You caught between the devil and the deep blue sea
You better look it over
Before you make (5)_____ leap

And the public don't (7)_____ on my transmission

'Cause it wasn't televised...

Oh what a (8)_____ night

It's all in your mind
The star maker says it ain't so bad
The dream maker's (9)_____ make you mad
The spaceman says everybody look down
Its all in your mind
My global position systems are vocally addressed
They say the Nile used to run from east to west

I'm fine
But I hear those voices at night
Sometimes...
The star maker says it ain't so bad
The dream maker's gonna make you mad
