Spaceman by The Killers

It started with a low light
Next thing I knew they ripped me from my bed
And then (1)_____ took my blood type
They left a strange impression in my head
You know (2)_____ I was hoping
That I (3)_____ leave this star-crossed world behind
But when they cut me open
I guess I (4)_____ my mind
And you know I might
Have just flown too far from the floor this time
'Cause they calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The star maker (5)_____ it ain't so bad
The dream maker's (6)_____ make you mad
The spaceman says everybody (7)_____ down
It's all in your mind
Well now I'm back at home and
I'm (8)_____ forward to this life I live
You (9)_____ it's gonna haunt me
So hesitation to (10)_____ (11)_____ I give
You think you might (12)_____ over
You caught (13)_____ the devil and the deep
blue sea
You better look it over
Before you (14)_____ that leap
And you know I'm fine but I hear those voices at night
Sometimes... they justify my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The (15)_____ (16)_____ says it ain't so bad
The dream maker's (17)_____ make you mad
The spaceman says everybody look down
It's all in your mind
The (18)_____ maker says it ain't so bad
The (19)_____ maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
My global position systems are vocally addressed
They say the Nile used to run from east to west
They say the Nile used to run from east to west
I'm fine
But I hear those voices at night
Sometimes...
The star maker says it ain't so bad
The dream maker's gonna (20)_____ you mad
The spaceman (21)_____ everybody look down
It's all in (22)_____ mind
The (23)_____ maker (24)_____ It ain't so bad
The dream maker's gonna make you mad
The (25)_____ (26)_____ everybody look
down
It's all in (27)_____ mind
It's all in my mind
It's all in my mind...
