It started with a low light
Next thing I knew they ripped me from my bed
And then they took my blood type
They left a strange impression in my head
You know (1)_____ I was hoping
That I could (2)_____ this star-crossed world behind
But when they cut me open
I guess I changed my mind
And you know I might
Have just (3)_____ too far from the floor (4)_____ time
'Cause they calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman (5)_____ everybody look down
Its all in (6)_____ mind
Well now I'm back at home and
I'm looking forward to this life I live
You know it's gonna haunt me
So hesitation to this life I give
You think you (7)_____ cross over
You (8)_____ between the devil and the deep
(9)_____ sea
You better look it over
Before you make (10)_____ leap
And you know I'm fine but I hear those voices at night
Sometimes... they (11)_____ my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh (12)_____ a lonely night
The star maker (13)_____ it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody (14)_____ down
It's all in your mind
The (15)_____ maker says it ain't so bad
The dream maker's (16)_____ make you mad
The spaceman says everybody look down
Its all in your mind
