Spaceman by The Killers

It started with a low light
Next thing I knew they ripped me from my bed
And then (1)_____ (2)_____ my blood type
They left a (3)_____ impression in my head
You know (4)_____ I was hoping
That I could leave this star-crossed world behind
But when (5)_____ cut me open
I guess I changed my mind
And you know I might
Have (6)_____ flown too far from the floor this time
'Cause (7)_____ calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody (8)_____ down
Its all in your mind
Well now I'm (9)_____ at home and
I'm looking forward to this life I live
You (10)_____ it's gonna (11)_____ me
So hesitation to (12)_____ (13)_____ I give
You think you might cross over
You caught between the (14)_____ and the deep
(15)_____ sea
You (16)_____ look it over
Before you make (17)_____ leap
And you know I'm fine but I hear those voices at night
Sometimes... they justify my claim
And the public don't (18)_____ on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star maker (19)_____ it ain't so bad
The (20)_____ maker's gonna make you mad
The spaceman says (21)_____ look down
It's all in your mind
The star maker (22)_____ it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
Its all in your mind
My global position systems are vocally addressed
They say the Nile used to run from east to west
They say the Nile used to run from (23)_____ to west
I'm fine
But I hear those voices at night
Sometimes...
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says (24)_____
(25)_____ down
Its all in your mind
The (26)_____ maker says It ain't so bad
The dream maker's gonna (27)_____ you mad
The (28)_____ says everybody look down
It's all in your mind
It's all in my mind
It's all in my mind...
