Spaceman by The Killers

It started with a low light
Next thing I knew they ripped me from my bed
And then they took my blood type
They left a strange impression in my head
You (1)_____ that I was hoping
That I could leave this star-crossed world behind
But when (2)_____ cut me open
I guess I changed my mind
And you (3)_____ I might
Have just flown too far from the floor this time
'Cause (4)_____ calling me by my name
And the (5)_____ white light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The star maker says it ain't so bad
The dream maker's gonna (6)_____ you mad
The spaceman says (7)_____ look down
Its all in your mind
Well now I'm (8)_____ at (9)_____ and
I'm looking forward to this life I live
You (10)_____ it's (11)_____ (12)_____
me
So hesitation to this life I give
You (13)_____ you (14)_____ cross over
You caught between the devil and the deep blue sea
You better look it over
Before you make that leap
And you know I'm fine but I hear (15)_____ voices at
night
Sometimes... they justify my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh (16)_____ a lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
The star maker (17)_____ it ain't so bad
The dream maker's gonna make you mad
The (18)_____ says everybody look down
Its all in your mind
My global position systems are vocally addressed
They say the Nile used to run from east to west
They say the Nile used to run (19)_____ east to west
I'm fine
But I hear (20)_____ voices at night
Sometimes...
The star maker says it ain't so bad
The dream maker's (21)_____ make you mad
The spaceman says (22)_____ look down
Its all in (23)_____ mind
The star maker says It ain't so bad
The dream maker's (24)_____ make you mad
The spaceman (25)_____ everybody look down
It's all in your mind
It's all in my mind
It's all in my mind...
