Spaceman by The Killers

It started with a low light

Next thing I knew (1)_____ ripped me (2)_____ my bed

And (3)_____ they took my blood type

They left a (4)_____ impression in my head

You know (5)_____ I was hoping

That I could leave this star-crossed world behind

But (6)_____ (7)_____ cut me open

I guess I changed my mind

And you know I might

Have (8)_____ flown too far from the floor (9)_____ time

'Cause they (10)_____ me by my name

And the zipping white light beams

Disregarding bombs and satellites

That was the turning point

That was one lonely night

The star maker says it ain't so bad

The dream maker's gonna make you mad

The spaceman says everybody look down

Its all in your mind

Well now I'm back at home and

I'm looking forward to (11)_____ life I live

You know it's gonna haunt me

So hesitation to this life I give

You think you (12)_____ cross over

You caught between the devil and the deep blue sea

You better look it over

Before you make that leap

And you (13)_____ I'm fine but I hear those voices at night

Sometimes... they justify my claim

And the public don't dwell on my transmission

'Cause it wasn't televised...

But it was a turning point

Oh what a lonely night

The star maker (14)_____ it ain't so bad

The dream maker's gonna make you mad

The (15)_____ says

(16)_____ (17)_____ down

It's all in your mind

The (18)_____ maker says it ain't so bad

The dream maker's gonna make you mad

The (19)_____ says everybody look down

Its all in your mind

My global position systems are vocally addressed

They say the (20)_____ used to run from east to west

They say the Nile used to run from east to west

I'm fine

But I (21)_____ those voices at night

Sometimes...

The star maker says it ain't so bad

The dream maker's (22)_____ make you mad

The spaceman (23)_____ (24)_____ look down

Its all in your mind

The (25)_____ (26)_____ says It ain't so bad

The dream maker's gonna make you mad

The spaceman says everybody (27)_____ down

It's all in your mind

It's all in my mind

It's all in my mind...
