

Fill in the gaps

Secret Garden by Bruce Springsteen

She'll let you in her house	To (7) place where you can't remember
If you (1) (2) late at night	And you can't forget
She'll let you in her mouth	She'll (8) you down a path
If the words you say are right	There'll be tenderness in the air
If you pay the price	She'll let you come just far enough
She'll let you deep inside	So you know she's really there
But there's a secret garden she hides	Then she'll look at you and smile
She'll let you in her car	And her eyes will say
To go (3) 'round	She's got a (9) garden
She'll let you into the parts of herself	Where everything you want
That'll (4) you down	Where everything you need
She'll let you in her heart	Will always stay
If you got a hammer and a vise	A million miles away
But into her secret garden, don't (5) twice	
You've gone a (6) miles	
How far'd you get	

- 1. come
- 2. knocking
- 3. driving
- 4. bring
- 5. think
- 6. million
- 7. that
- 8. lead
- 9. secret
