

## Fill in the gaps

raithfuiness	Been running from (13) neart
Distracts me from my ever changing	And I (14) like you've (15) running to
Tastefulness	Don't you know that I've
My mouth upon the richest tongues	Been (16) the start
I run for this	And I feel like you've been
Static at the same (1) by it all	Lying too
Common sense	Faithfulness is (18) a little rule
Can slap me in the face	We break
And yet I calm disent	Still pretending (19) was just a fool
Embarrassed by your obvious	We faked, we made
Indifference	
Disgusted at the (2) time by it all	Don't you (20) that I've
Watching as my ego breaks (3) fall	Been running from your heart
Don't you know (4) I've	And I feel like you've (21) running too
Been running from your heart	Don't you know that I've
And I feel like you've been running too	Been lying from the start
Don't you know that I've	And I (22) like you've been
Been (5) from the start	Lying too
And I feel (6) you've been lying too	Don't you (23) that I've
Leave you now	Been running from your heart
Can't convince myself	And I (24) like you've (25) running too
That you're the one somehow	Don't you (26) (27) I've
To free me from (7) smile	Been lying from the start
I call my loneliness	And I feel like you've
Stuck inside (8) (9) to (10)	Been lying too
complete	
Now I've left you (11) on your feet	
Don't vou know (12) I've
