

## Fill in the gaps

We were both young when I first saw you	And I said
I close my eyes	Romeo take me somewhere we can be alone
And the flashback starts	I'll be waiting all there's left to do is run
I'm (1) there	You'll be the prince and I'll be the princess
On a balcony in summer air	It's a love story baby just say yes
See the lights	Romeo save me, they try to tell me how to feel
See the party, the ball gowns	This love is difficult, but it's real
I see you make your way through the crowd	Don't be afraid, we'll make it out of this mess
And say hello	It's a (6) story baby just say yes
Little did I know	(Oh oh)
That you were Romeo, you were throwing pebbles	I got tired of waiting
And my daddy said stay away from Juliet	Wondering if you were ever coming around
And I was crying on the staircase	My faith in you is fading
Begging you (2) don't go	When I met you on the outskirts of town
And I said	And I said
Romeo take me somewhere we can be alone	Romeo save me I've been feeling so alone
I'll be waiting all there's left to do is run	I keep waiting for you but you never come
You'll be the prince and I'll be the princess	Is this in my head? I don't (7) what to think
It's a love story baby just say yes	He knelt to the ground and pulled out a ring and said
So I sneak out to the garden to see you	Marry me Juliet, you'll never have to be alone
We keep quiet 'cause we're dead if they knew	I love you and that's all I really know
So close your eyes	I talked to your dad, go pick out a white dress
Escape this town for a little while	It's a love story baby just say yes
'Cause you (3) Romeo, I was a scarlet letter	(Oh, oh, oh, oh)
And my daddy said stay away from Juliet	'Cause we (8) both young when I (9)
But you were (4) to me	saw you
I was (5) you please don't go
