

## Fill in the gaps

| We were both young when I first saw you        |
|--|
| I close my eyes                                |
| And the flashback starts                       |
| I'm standing there                             |
| On a balcony in (1) air                        |
| See the lights                                 |
| See the party, the ball gowns                  |
| I see you make your way through the crowd      |
| And say hello                                  |
| Little did I know                              |
| That you were Romeo, you were throwing pebbles |
| And my daddy said stay (2) from Juliet         |
| And I was crying on the staircase              |
| Begging you please don't go                    |
| And I said                                     |
| Romeo take me somewhere we can be alone        |
| I'll be waiting all there's left to do is run  |
| You'll be the prince and I'll be the princess  |
| It's a love story baby (3) say yes             |
| So I sneak out to the (4) to see you           |
| We keep quiet 'cause we're dead if they knew   |
| So close your eyes                             |
| Escape this town for a little while            |
| 'Cause you were Romeo, I was a scarlet letter  |
| And my daddy (5) stay (6)                      |
| (7) Juliet                                     |
| But you were everything to me                  |
| I was begging you please don't go              |

| And I said  |
|---|
| Romeo take me (8) we can be alone                     |
| I'll be (9) all there's left to do is run             |
| You'll be the prince and I'll be the princess         |
| It's a love story baby just say yes                   |
| Romeo save me, they try to tell me how to feel        |
| This love is difficult, but it's real                 |
| Don't be afraid, we'll make it out of this mess       |
| It's a love story baby just say yes                   |
| (Oh oh)   |
| I got tired of waiting                                |
| Wondering if you were ever coming around              |
| My faith in you is fading                             |
| When I met you on the outskirts of town               |
| And I said  |
| Romeo save me I've been feeling so alone              |
| I keep waiting for you but you never come             |
| Is this in my head? I don't know what to think        |
| He knelt to the ground and pulled out a ring and said |
| Marry me Juliet, you'll never have to be alone        |
| I love you and that's all I really know               |
| I talked to your dad, go pick out a white dress       |
| It's a love story baby just say yes                   |
| (Oh, oh, oh, oh)                                      |
| 'Cause we were both young when I first saw you        |
