Fill in the gaps

The (1) is a bloom	Touch me
Shoots up (2) the (3) ground	Take me to (10) (11) place
There's no room	Teach me
No space to rent in (4) town	I (12) I'm not a hopeless case
You're out of luck	See the world in green and blue
And the reason that you had to care	See China (13) in (14) of you
The traffic is stuck	See the (15) broken by cloud
And you're not moving anywhere	See the tuna (16) clearing the sea out
You thought you'd found a friend	See the Bedouin (17) at night
To take you out of this place	See the oil fields at first light
Someone you (5) lend a hand	See the (18) with a leaf in her mouth
In (6) for grace	After the flood all the colors came out
It's a beautiful day	
Sky falls, you feel like	It was a beautiful day
It's a beautiful day	Don't let it get away
Don't let it get away	Beautiful day
You're on the road	Touch me
But you've got no destination	Take me to (19) other place
You're in the mud	Reach me
In the maze of her imagination	I know I'm not a hopeless case
You love (7) town	What you don't have you don't need it now
Even if that doesn't (8) true	What you don't (20) you can feel it somehow
You've (9) all over	What you don't have you don't need it now
And it's been all over you	Don't (21) it now
It's a beautiful day	Was a (22) day
Don't let it get away
