

Haven't you seen?

Fill in the gaps

When (1) have fallen	Haven't you seen?
And skies turned into grey	The ruins of our world
The night keeps on closing in on the day	She (4) the earth with a
A nightingale sings his song of farewell	(5) cloak
You better hide for her freezing hell	The sun (6) and melts it away
On (2) wings she's coming	The world now (7) its eyes and sees
You better keep moving	The dawning of a new day
For warmth, you'll be longing	On (8) (9) she's coming
Come on just feel it	You better keep moving
Don't you see it?	For warmth, you'll be longing
You better believe it	Come on just feel it
When she embraces	Don't you see it?
Your heart turns to stone	You better believe it
She comes at night when you are all alone	Whenever she is raging
And when she whispers	She takes all life away
Your blood shall run cold	Haven't you seen?
You better hide before she finds you	Haven't you seen?
Whenever she is raging	The ruins of our world
She takes all life away	Whenever she is raging
Haven't you seen?	She takes all life away
Haven't you seen?	Haven't you seen?
The (3) of our world	Haven't you seen?
Whenever she is raging	The ruins of our world
She takes all life away
