## How Come, How Long by Babyface & Stevie Wonder

There was a girl I used to know		How come, how long
She was (oh) so beautiful		It's not right, it's so wrong
But she's not here anymore		Do we let it just go on
She had a college degree		Turn our backs and carry on
Smart as anyone could be		Wake up, for it's too late
Had so much to live for		Right now, we can't wait
But she fell in love		She won't have a second try
With the wrong kinda man		Open up your hearts
He abused her love and treated her so bad		As (5) as your eyes
There was not enough (1)	in her world	I on occasion met that guy
That could save life of this little girl		It's been a feeling deep inside
How come, how long		Something about him wasn't right
It's not right, it's so wrong		The way he proves himself a man
Do we let it just go on		By beatin' his woman with his hands
Turn our backs and carry on		(Oh) I wish she'd (6) the light
Wake up, for it's too late		How can someone like that
Right now, we can't wait		Call himself a man (He's not a man)
She won't have a second try		In (7) he's far more less than that
Open up (2) hearts		And we cannot ignore
As well as your eyes		Whenever we see the signs
She tried to give a cry for help		'Cause any (8) of abuse
She even blamed things on herself		God knows it's a crime
But no one came to her aid		How come, how long
Nothing was wrong as far as we could tell		It's not right, it's so wrong
That's what we'd like to tell our self		Do we let it just go on
But no, it wasn't that way		Turn our backs and (9) on
So she fell in love		Wake up, for it's too late
With the wrong kinda man		Right now, we can't wait
And she paid with her life		She won't have a second try
For loving that man		Open up your hearts
So we cannot ignore		As well as your eyes
We (3) look for the signs		
And maybe next time
