

### Fill in the gaps

### The Lady In Red by Chris De Burgh

I've (1) you looking so lovely	Want to be there by (15) side
As you did tonight	And (16) you turned to me and smile
I've never seen you (3) so bright	You took my breath away
I've never (4) so many men ask you	I have never had (17) a feeling
If you wanted to dance	Such a (18) of complete and utter love
Looking for a little romance	As I do tonight
Giving (5) the chance	Lady in red
I have never seen that dress (6) wearing	Is dancing (19) me
Or the highlights in your hair (7) (8)	(Cheek to cheek)
your eyes	There's (20) here
I (9) blind	Just you and me
Lady in red	It's where I wanna be
Is dancing with me	I (21) know
Cheek to cheek	This (22) by my side
There's nobody here	Never forget
Just you and me	The way you look tonight
It's where I (11) be	I will never forget
I hardly know	The way you look tonight
This beauty by my side	Lady in red
Never forget	Lady in red
The way you look tonight	Lady in red
I've never seen you (12) so gorgeous	My (23) in red
As you did tonight	I (24) you
I've (13) seen you shine so bright	
You were amazing	
I've never (14) so many people
