(Hey yeah yeah)	And life has a funny way
An old man turned ninety-eight	Nobody helpin' you out
He won the lottery and (1) the next day	When you think everything's gone wrong
It's a black fly in your Chardonnay	And everything blows up in your face
It's a (2) row (3) two minutes too	A traffic jam when you're already late
late	A no smoking sign on your cigarette break
Isn't it ironic	It's like ten thousand spoons
Don't you think?	When all you need is a knife
It's like (4) on your weddin' day	It's meeting the man of my dreams
It's a free ride when you've already paid	And then meetin' his (7) wife
It's the good advice that you just didn't take	And isn't it ironic
And who would've thought, it figures	Don't you think?
Mr. Play It Safe was afraid to fly	A little too ironic
He packed his suitcase and kissed his kids goodbye	And yeah, I really do think
He waited his whole damn life to take that flight	It's (8) rain on (9) weddin' day
And as the (5) crashed down he thought	It's a free ride when you've already paid
Well, isn't this nice	It's the good advice that you just didn't take
And isn't it ironic	And who would've thought, it figures
Don't you think?	And (10) life has a funny way
It's like rain on your weddin' day	Of sneaking up on you
It's a free ride when you've already paid	Life has a funny, funny way
It's the good advice (6) you just didn't take	Of helping you out
And who would've thought, it figures	Helping you out
Well life has a funny way	
Of sneakin' up on you	
When you think everything's okay	
And everything's goin' right, right
