

Fill in the gaps

You'll remember me when the west (1) moves	never made (13) lightly
Upon the fields of barley	And (14) have (15) some
You'll forget the sun in his jealous sky	(16) I've broken
As we (2) in fields of gold	But I swear in the days (17) left
So she took her love	We'll walk in (18) of gold
For to gaze awhile	We'll walk in fields of gold
Upon the fields of barley	Many years have passed (19) (20)
In his (3) she (4) as her (5)	(21) days
came down	Among the fields of barley
Among the fields of gold	See the children run as the sun goes down
Will you stay (6) me, will you be my love	Among the fields of gold
Among the fields of barley	You'll remember me when the (22) (23)
We'll (7) the sun in his (8)	moves
sky	Upon the (24) of barley
As we lie in (9) of gold	You can tell the sun in his jealous sky
See the (10) wind move (11) a lover so	When we (25) in fields of gold
Upon the (12) of barley	When we (26) in fields of gold
Feel her body rise when you kiss her mouth	When we walked in fields of gold
Among the fields of gold
