

Fill in the gaps

You'll (1) me when the west wind moves	I never made promises lightly
Upon the fields of barley	And there have (6) some that I've broken
You'll forget the sun in his jealous sky	But I swear in the days still left
As we walk in fields of gold	We'll (7) in fields of gold
So she took her love	We'll walk in fields of gold
For to gaze awhile	Many years have passed since those summer days
Upon the fields of barley	Among the fields of barley
In his arms she fell as her hair (2) down	See the (8) run as the sun goes down
Among the fields of gold	Among the fields of gold
Will you (3) with me, will you be my love	You'll remember me (9) the west wind moves
Among the fields of barley	Upon the fields of barley
We'll forget the sun in his jealous sky	You can tell the sun in his jealous sky
As we lie in fields of gold	When we (10) in fields of gold
See the west wind move like a lover so	When we walked in fields of gold
Upon the fields of barley	When we walked in fields of gold
Feel her body (4) when you kiss her mouth	
Among the (5) of gold
