

Leave the past in the past

## Fill in the gaps

(We're doing it)	Gonna find the future
I look around me	And (6) loves company, well so long
But all I seem to see	You'll miss me when I'm gone
Is people going nowhere	
Expecting sympathy	You're (7) miss me when I'm gone
It's like we're going through the motions	
Of a (1) destiny	You're gonna miss me when I'm gone
Tell me where's our inspiration	When I'm gone
If (2) won't wait	Let's go!
I guess it's up to me	Won't look back when I say goodbye
(Whoa)	I'm gonna leave this hole behind me
No, we're not gonna waste	Gonna take what's mine tonight
Another moment in this town	'Cause every wasted day
(Whoa)	Becomes a wasted chance
We won't come back the world is (3) out	You're gonna wake up feeling sorry
(Whoa)	'Cause (8) won't wait, I guess it's up to you
Leave the past in the past	(Whoa)
Gonna find the future	No, we're not gonna waste
And (4) loves company, (5) so	Another moment in this town
long	(Whoa)
You'll miss me when I'm gone	We won't come back the world is calling out
	(Whoa)
You're gonna miss me when I'm gone	Leave the past in the past
	Gonna find the future
Procrastination running circles in my head	And misery loves company, well so long
While you sit there contemplating	You'll (9) me when I'm gone
You're wound up left for dead	
(You're left for dead)	You're gonna miss me when I'm gone
Life is what happens	
While you're busy making your excuses	You're gonna miss me when I'm gone
Another day, another casualty	
But that won't happen to me	You're gonna miss me when I'm gone
(Whoa)	
No, we're not gonna waste	You're gonna (10) me when I'm gone
Another moment in this town	
(Whoa)	
We won't come back the world is calling out	
(Whoa)
