

Fill in the gaps

(We're doing it)	Gonna find the future
I (1) around me	And misery loves company, (15) so long
But all I seem to see	You'll miss me when I'm gone
Is (2) going nowhere	
Expecting sympathy	You're gonna (16) me (17) I'm gone
It's (3) we're (4) (5)	
the motions	You're gonna (18) me when I'm gone
Of a scripted destiny	When I'm gone
Tell me where's our inspiration	Let's go!
If life won't wait	Won't (19) back when I say goodbye
I (6) it's up to me	I'm gonna leave this (20) behind me
(Whoa)	Gonna take what's mine tonight
No, we're not gonna waste	'Cause every wasted day
Another (7) in this town	Becomes a wasted chance
(Whoa)	You're gonna wake up feeling sorry
We won't (8) back the world is calling out	'Cause (21) won't wait, I guess it's up to you
(Whoa)	(Whoa)
Leave the past in the past	No, we're not gonna waste
Gonna find the future	Another (22) in (23) town
And misery loves company, well so long	(Whoa)
You'll (9) me when I'm gone	We won't come (24) the world is calling out
	(Whoa)
You're gonna miss me when I'm gone	Leave the past in the past
	Gonna find the future
Procrastination running circles in my head	And misery loves company, (25) so long
While you sit (10) contemplating	You'll miss me (26) I'm gone
You're wound up left for dead	
(You're left for dead)	You're gonna (27) me when I'm gone
Life is what happens	
While you're (11) making your excuses	You're gonna miss me when I'm gone
Another day, another casualty	
But that won't (12) to me	You're (28) miss me when I'm gone
(Whoa)	
No, we're not gonna waste	You're (29) miss me when I'm gone
Another moment in (13) town	
(Whoa)	
We won't (14) back the world is calling out	
(Whoa)	
Leave the past in the past
