SUB inglés

Begging to hear your voice

Fill in the gaps

CanA't Have You by Jonas Brothers

You warned me that you were gonna leave (leave, leave)	Tell me you love me too
I never (1) you (2) really go	'Cause I'd rather just be alone
(go, go)	If I know that I can't have you
I was blind but baby now I see (see, see)	So tell me what we're fighting for
Broke your (3) but now I know (now I, now I	Cause you know (8) truth means so much more
know)	Cause you would if you could, don't lie (don't lie)
That I was (4) such a fool (oooh)	Cause I give everything that I've got left
And I didn't deserve you (oooh)	To show you I mean what I have said
l don't wanna fall asleep	I know I was such a fool
Cause I don't know if I'll get up	But I can't live without you (without you)
And I don't wanna cause a scene	I don't wanna fall asleep
But I'm dyin' without your love	Don't know if I'll get up
Begging to hear your voice	Don't wanna cause a scene
Tell me you love me too	But I'm dyin' without your love
Cause I'd rather just be alone	Begging to hear your voice
If I know that I can't have you	Tell me you love me too
Looking at the letter you that you left	'Cause I'd rather just be alone
[the letter that you left, will I ever get you back]	If I know that I can't have you
Wondering if I'll ever get you back	Yeah!
[ooh aahp, ooh ahh, ooh aahp, ooh ahh]	I don't wanna fall asleep (don't wanna fall asleep)
Dreaming about when I'll see you next	Cause I don't know if I'll get up (who knows if I'll get up)
[When (5) I see you next? Will I ever get you back]	And I don't wanna cause a scene
Knowing that I never (6) forget	'Cause I'm dyin' (9) your love
[I won't forget, I won't forget]	Yeah!
That I was being (7) a fool (oooh)	Begging to hear your voice (let me hear your voice)
Now I still don't deserve you (oooh)	Tell me you (10) me too (tell me you love me too
l don't wanna fall asleep	'Cause I'd rather just be alone
Cause I don't know if I'll get up	If I know that I can't have you
And I don't wanna cause a scene	
'Cause I'm dyin' without your love	
Yeah!
