CanA't Have You by Jonas Brothers

Fill in the gaps

You warned me (1) you were gonna leave (leave,	Tell me you love me too
leave)	'Cause I'd rather just be alone
I never thought you would really go (go, go)	If I know that I can't have you
I was (2) but baby now I see (see, see)	So tell me what we're fighting for
Broke your heart but now I know (now I, now I know)	Cause you know that (6) means so
That I was being such a fool (oooh)	(7) more
And I didn't deserve you (oooh)	Cause you would if you could, don't lie (don't lie)
I don't wanna fall asleep	Cause I give everything that I've got left
Cause I don't know if I'll get up	To show you I mean (8) I have said
And I don't wanna cause a scene	I know I was such a fool
But I'm dyin' without your love	But I can't live without you (without you)
Begging to hear (3) voice	I don't wanna fall asleep
Tell me you love me too	Don't know if I'll get up
'Cause I'd rather just be alone	Don't wanna cause a scene
If I know that I can't have you	But I'm dyin' without your love
Looking at the letter you that you left	Begging to hear your voice
[the letter that you left, will I ever get you back]	Tell me you love me too
Wondering if I'll ever get you back	'Cause I'd rather just be alone
[ooh aahp, ooh ahh, ooh aahp, ooh ahh]	If I know that I can't (9) you
Dreaming about when I'll see you next	Yeah!
[When will I see you next? Will I ever get you back]	I don't wanna fall asleep (don't wanna fall asleep)
Knowing that I never will forget	Cause I don't know if I'll get up (who knows if I'll get up)
[I won't forget, I won't forget]	And I don't wanna cause a scene
That I was being such a fool (oooh)	'Cause I'm dyin' without your love
Now I (4) don't deserve you (oooh)	Yeah!
I don't wanna fall asleep	Begging to hear your (10) (let me hear your
Cause I don't know if I'll get up	voice)
And I don't wanna cause a scene	Tell me you love me too (tell me you love me too)
'Cause I'm dyin' (5) your love	'Cause I'd rather just be alone
Yeah!	If I know that I can't have you
Begging to hear your voice	

- 1. that
- 2. blind
- 3. your
- 4. still
- 5. without
- 6. truth
- 7. much
- 8. what
- 9. have
- 10. voice
