## High Hopes by Nightwish

Beyond the horizon of the place we lived

## Fill in the gaps

When we were young
In a (1) of magnets and miracles
Our thoughts strayed constantly and without boundary
The ringing of the division bell had begun
Along the (2) Road and on down the Causeway
Do they still meet there by the Cut
There was a ragged band that followed our footsteps
Running (3) time took our dreams away
Leaving the myriad small creatures
Trying to tie us to the ground
To a life consumed by slow decay
The grass was greener
The light was brighter
With friends surrounded
The nights of wonder
Looking beyond the embers of bridges glowing
(4) us
To a (5) of how green it was on the other
side
Steps taken forwards but sleepwalking back again
Dragged by force of some inner tide
At a higher altitude with (6) unfurled
We reached the dizzy heights of that (7) of
world
Encumbered forever by desire and ambition

There's a hunger still unsatisfied	
Our weary eyes still stray to the horizon	
The dog is road, we've been so many time	
The grass was greener	
The light was brighter	
With (8)	surrounded
The nights of wonder	
With friends surrounded	d
The dawn mist growing	
The (9) flo	owing
The endless river	
Forever and ever	
The grass was greener	
The light was brighter	
The taste was sweeter	
The nights of wonder	
With friends surrounded	
The dawn mist growing	
The water flowing	
The endless river	
Forever and ever
