

Lucky to have been where I have been

Fill in the gaps

Lucky by Jason Mraz & Colbie Caillat

Do you (1) me	Lucky to be coming home again
'm (2) to you	Lucky we're in love in (4) way
Across the water	Lucky to have stayed where we have stayed
Across the deep blue ocean	Lucky to be coming home someday
Under the open sky	And so I'm sailing through the sea
(Oh) my and baby I'm trying	To an island where we'll meet
Boy I hear you in my dreams	You'll hear the (5) fill the air
feel your whisper across the sea	I'll put a flower in your hair
keep you with me in my heart	Though the breezes through the trees
You make it (3) when life gets hard	Move so pretty, you're all I see
ucky I'm in love with my best friend	As the world (6) spinning around
Lucky to have been where I have been	You (7) me (8) here right now
ucky to be coming home again	Lucky I'm in love with my best friend
They don't know how long it takes	Lucky to have been where I have been
Naiting for a love like this	Lucky to be coming home again
Every time we say goodbye	Lucky we're in (9) in every way
wish we had one more kiss	Lucky to have stayed where we (10) stayed
wait for you, I promise you I will	Lucky to be coming home someday
_ucky I'm in love with my best friend
