Give It To Me Right by Melanie Fiona

Okay, okay,	You know what I like,
He's got my number and	Won't you accept it
You can't, you can't	I don't want it all the time,
Warn me baby here I am	But when I want it,
Either you make the time	You better make me smile
Or just forget me	So give it to me right,
I'm not, I'm not	Or don't give it to me at all
Tryna run your life	I don't think you understand,
That's why, that's why	If you can't please me,
I'm nobody's wife	I (4) someone who can
But when I want, (1) I (2) it	Give it to me right,
You gotta be ready	Or don't give it to me at all
I don't want it all the time,	This is the real life baby
But (3) I get it,	This is the life that makes me say
I better be satisfied	(Yeah, yeah, yeahh)
So give it to me right,	This is the (5) thing bab
Or don't give it to me at all	When I'm alone I can make me say
I don't think you understand,	(Yeah, yeah, yeah, yeah, yeahh)
How real it is for me to find	I don't (6) it all the time,
A man who thinks he can	But when I (7) it
So give it to me right,	You better make me smile
Or don't give it to me at all	So (8) it to me right,
(yeah yeah)	Or don't give it to me at all
On time, on time	I don't think you understand,
I expect you to be	If you can't please me,
Oh my, oh my	I (9) someone who can
Baby in my fantasy	So (10) it to me right,
You can't get it right,	Or don't give it to me at all
Then just forget it	Give it to me right
No ways ok	Give it to me right
For you to go around
