

I am unwritten can't read my mind

Fill in the gaps

Release your inhibitions

I'm undefined		Feel the rain on your skin		
I'm just beginning		No one else can feel it for you		
The pen's in my hand		Only you can let it in		
Ending unplanned		No one else, no one else		
Staring at the blank page before you		Can speak the words on your lips		
Open up the dirty window		Drench yourself in words unspoken		
Let the sun illuminate the words that		Live your (3) with arms wide open		
You could not find		Today is where your book begins		
Reaching for something in the distance		The rest is still unwritten		
So close you can almost taste it				
Release your inhibitions		Staring at the blank page	e blank page (4) you	
Feel the rain on your skin		Open up the dirty window		
No one else can feel it for you		Let the sun illuminate the (5) that		
Only you can let it in		You could not find		
No one else, no one else		Reaching for something in the distance		
Can speak the words on your lips		So (6) you can almost (7) it		
Drench yourself in words unspoken		Release your inhibitions		
Live your life with arms wide open		Feel the rain on your skin		
Today is where your (1) begins		No one else can feel it for you		
The rest is still unwritten		Only you can let it in		
Oh oh		No one else, no one else		
I break tradition		Can speak the words on your lips		
Sometimes my tries		Drench yourself in words unspoken		
Are outside the lines		Live your life (8)	_ arms (9)	open
We've been conditioned		Today is (10)	your book begins	
To not make mistakes		The rest is still unwritten		
But I can't live that way		The rest is still unwritten		
Staring at the blank page before you				
Open up the dirty window		(The rest is still unwritten)		
Let the sun (2)	the words that			
You could not find				
Reaching for something in the distance				
So close you can almost taste it
