

Fill in the gaps

I don't know if I can yell any louder	I always say how I don't (5) you
How many times have I kicked you outta here?	But it's always gonna come right back to this
Or said something insulting?	Please, don't leave me
I can be so mean when I wanna be	I (6) to say out (7) how beautiful
I am capable of (1) anything	you really are to me
I can cut you into pieces	I can't be without, you're my (8) little
When my heart is broken	punching bag
Please don't leave me	And I need you, I'm sorry
Please don't leave me	(Da da da, da da)
I (2) say how I don't need you	Please, please don't leave me
But it's (3) gonna come right back to this	Baby please don't leave me
Please, don't leave me	No, don't leave me
How did I become so obnoxious?	Please don't leave me
What is it with you that makes me act like this?	I (9) say how I don't need you
I've never been this nasty	But it's always (10) come right back to this
Can't you tell that this is all just a contest?	Please don't leave me
The one that wins will be the one that hits the hardest	Please don't leave me
But baby I don't (4) it	I always say how I don't need you
I mean it, I promise	But it's always gonna come right back to this
Please don't leave me (oh)	Please, please don't leave me
Please don't leave me (don't leave me)	Baby, please, please don't leave me

- 1. really
