## SUB inglés

### Fill in the gaps

#### Broken Strings by James Morrison & Nelly Furtado

Let me (1) you	I try to hold on but it (16) too much
For the (2) time	I try to (17) but it's not enough
It's the last (3) to feel again	To make it all okay
But you broke me	You can't play on broken strings
Now I can't feel anything	You can't feel anything
When I (4) you and so untrue	That (18) heart don't want to feel
I can't even convince myself	I can't (19) you something that ain't real
When I'm speaking	Oh, the truth hurts
It's the voice of someone else	And (20) worse
Oh it tears me up	How can I give anymore
I try to hold on but it hurts too much	When I love you a (21) (22) than
I try to (5) but it's not enough	before?
To make it all okay	But we're running through the fire
You can't play on (6) strings	When there's nothing left to save
You can't feel anything	It's like chasing the (23) last train
That your heart don't want to feel	When we both know it's too late (too late)
I can't tell you (7) that ain't real	You can't play on (24) strings
Oh the truth hurts	You can't feel anything
And lies worse	That your (25) don't want to feel
How can I give anymore	I can't (26) you something that ain't real
When I love you a (8) less than before?	Oh, the truth hurts
Oh, what are we doing?	And lies worse
We are (9) into dust	So how can I give anymore
Playing house in the ruins of us	When I love you a little less than before?
Running (10) (11) the fire	Oh, you (27) that I love you a little less than before
When there's nothing (12) to save	Let me hold you for the last time
It's (13) that the very (14) train	It's the last chance to feel again
When it's too (15) (too late)	
Oh it tears me up
