Everytime you go away...

Fill in the gaps

Everytime You Go Away by Paul Young

Hey, if we can solve any problem	You take a piece of me with you
Then why do we lose so many tears	Oh
Oh and so you go again	Every time you go away
When the leading man appears	You (8) a piece of me with you
Always the (1) thing	I can't go on
Can't you see	Sayin' the same thing
We've got everything	'Cause baby, can't you see
Goin' on and on and on	We've got everything
Every time you go away	Goin' on and on and on
You (2) a (3) of me (4)	Every time you go away
you	You take a piece of me (9) you
Every (5) you go away	Every (10) you go away
You take a piece of me with you	You take a piece of me with you
	Every time you go away
Go on and go free	You take a piece of me with you
Yeah	Every time you go away
Maybe you're too close to see	You take a piece of me with you
I can feel yor body move	Every time you go away
It doesn't mean that much to me	You take a piece of me with you
I can't go on	Every time you go away
Sayin' the (6) thing	(You take a piece of me with you)
Just can't you see	
We've got everything
