SUB inglés

And the fault is my own

I wanna heal

Fill in the gaps

Somewhere I Belong by Linkin Park (When this began)

(When this began)	I wanna feel
I had nothing to say	What I thought was never real
And I'd get lost in the nothingness inside of me	I wanna let go of the pain I've felt so long
(I was confused)	(Erase all the pain till it's gone)
And I let it all out to find	I wanna heal
That I'm not the only (1) with these things in	I wanna feel
mind	Like I'm close to something real
(Inside of me)	I wanna find something I've wanted all along
But all that they can see the words revealed	Somewhere I belong
Is the only real thing that I've got (2) to feel	I will never know
(Nothing to lose)	Myself until I do this on my own
Just stuck, (3) and alone	And I will never feel
And the fault is my own	Anything else until my wounds are healed
And the fault is my own	I will never be
I wanna heal	Anything till I break away from me
I wanna feel	I will break away
What I thought was never real	I'll find myself today
I wanna let go of the pain I've felt so long	I wanna heal
(Erase all the pain till it's gone)	I wanna feel
I wanna to heal	What I thought was never real
I wanna to feel	I wanna let go of the pain I've felt so long
Like I'm (4) to something real	(Erase all the pain (5) it's gone)
I wanna find something I've wanted all along	I wanna heal
Somewhere I belong	I wanna feel
And I've got nothing to say	Like I'm close to (6) real
I can't believe I didn't fall right down on my face	I (7) find something I've wanted all along
(I was confused)	Somewhere I belong
Looking everywhere only to find	I wanna heal
That it's not the way I had imagined it all in my mind	I wanna (8) like I am
(So what am I)	Somewhere I belong
What do I have but negativity	I wanna heal
'Cause I can't justify way everyone is looking at me	I wanna feel (9) I am
(Nothing to lose)	Somewhere I belong
Nothing to gain, hollow and alone	Somewhere I belong
And the fault is my own	

1. person

- 2. left
- 3. hollow
- 4. close
- 5. till
- 6. something
- 7. wanna
- 8. feel
- 9. like
