SUB inglés

And the fault is my own

I wanna heal

Fill in the gaps

Somewhere I Belong by Linkin Park

(When this began)	I wanna feel
I had nothing to say	What I thought was (4) real
And I'd get lost in the nothingness inside of me	I wanna let go of the pain I've felt so long
(I was confused)	(Erase all the (5) till it's gone)
And I let it all out to find	l (6) heal
That I'm not the only person with these things in mind	I wanna feel
(Inside of me)	Like I'm close to something real
But all that they can see the words revealed	I wanna find something I've wanted all along
Is the only real thing (1) I've got left to feel	Somewhere I belong
(Nothing to lose)	I will never know
Just stuck, hollow and alone	Myself until I do this on my own
And the fault is my own	And I will never feel
And the fault is my own	Anything (7) until my wounds are healed
I wanna heal	I will never be
I wanna feel	Anything (8) I break away from me
What I thought was never real	I will break away
I wanna let go of the pain I've felt so long	I'll find myself today
(Erase all the pain (2) it's gone)	I wanna heal
I (3) to heal	I wanna feel
I wanna to feel	What I thought was never real
Like I'm close to something real	I wanna let go of the pain I've felt so long
I wanna find something I've wanted all along	(Erase all the pain till it's gone)
Somewhere I belong	I wanna heal
And I've got nothing to say	I wanna feel
I can't believe I didn't fall right down on my face	Like I'm close to something real
(I was confused)	I wanna find something I've (9) all along
Looking everywhere only to find	Somewhere I belong
That it's not the way I had imagined it all in my mind	I wanna heal
(So what am I)	I wanna feel like I am
What do I have but negativity	Somewhere I belong
'Cause I can't justify way everyone is looking at me	I wanna heal
(Nothing to lose)	I wanna (10) like I am
Nothing to gain, hollow and alone	Somewhere I belong
And the fault is my own	Somewhere I belong

- 1. that
- 2. till
- 3. wanna
- 4. never
- 5. pain
- 6. wanna
- 7. else
- 8. till
- 9. wanted
- 10. feel

Fill in the gaps
