

Fill in the gaps

Easy come (1) go	And you tossed it in the trash
Thats just how you live	You tossed it in the trash, yes you did
Oh (2) take take it all	To give me all your love is all I ever ask
But you never give	Cause what you don't understand is
Should've known	I'd (17) a grenade for ya
You was (3) from the first kiss	Throw my (18) on a blade for ya
Had you (4) (5) open	I'd jump in front of a train for ya
Why (6) they open?	You know I'd do anything for ya
Gave you all I had	l (19) go through all (20) pain
And you tossed it in the trash	Take a bullet straight through my brain
You tossed it in the trash, you did	Yes I would die for you baby
To give me all (7) (8) is all I ever ask	But you won't do the same
Cause (9) you don't understand is	If my (21) was on fire
I'd catch a (10) for ya	Oh you'd watch me burn down in flames
Throw my hand on a blade for ya	You said you love me, you're a liar
I'd jump in (11) of a train for ya	Cause you never ever, ever did baby
You know I'd do anything for ya	But darling I'd still catch a grenade for ya
I would go through all (12) pain	Throw my hand on a blade for ya
Take a (13) straight through my brain	I'd (22) in front of a train for ya
Yes I would die for you baby	You know I'd do anything for ya
But you won't do the same	I would go through all this pain
No no no no no	Take a bullet (23) through my brain
Black, black, (14) and blue	Yes I would die for you baby
Beat me till I'm numb	But you won't do the same
Tell the devil I said hey	No you won't do the same
When you get back to where you from	You wouldn't do the same
Mad woman, bad woman	Oh, you'd never do the same
That's (15) you are	No no no no
Yeah you smile in my face	
Then rip the brakes out my car	
Gave you all I had
