

## Fill in the gaps

I talk to God as much as I talk to Satan 'cause	And this is no miraculous life
I want to hear both sides	We walk into the tide
Does that make me cynical	Well I look up to god but I see
There are no miracles	Trouble 'cause (8) ain't no Miracle
And this is no miraculous life	I just want to take my chance to live through a miracl
I savour hate as much as I (1) love because	When the see-saw snaps and splinters your hand
I'm just a (2) guy	Don't come crying to me
Is this the pinnacle, is this the pinnacle	I'll only see your good side
The pinnacle of being alive	And believe it's a miracle
Now I see the light	A miracle
Well I look up to god but I see	I (9) the water and watch
Trouble 'cause this aint a Miracle	The (10) dance in the ripples of us
I just want to take my (3) to live through a	We're just stubborn duds
miracle	Blinking eyes encased in rust
	This aint a miracle
I know for certain (4) (5) one is	This aint a miracle
watching but	This aint a miracle
Is it from up or down	This aint a miracle
I make you miserable you stick with me although	(Ooah)
You know I'm gonna (6) your life	(Ooah)
I talk to God as much as I talk to Satan 'cause	
I (7) to hear both sides	
Does that make me cynical
