

There are no miracles

Fill in the gaps

I talk to God as (1) as I talk to (2)	And this is no miraculous life
'cause	We walk into the tide
I want to hear both sides	Well I look up to god but I see
Does that make me cynical	Trouble 'cause this ain't no Miracle
There are no miracles	I (9) want to take my chance to live through a
And this is no miraculous life	miracle
I savour hate as much as I crave love because	When the see-saw snaps and splinters your hand
I'm just a twisted guy	Don't come crying to me
Is this the pinnacle, is this the pinnacle	I'll only see your good side
The pinnacle of (3) alive	And believe it's a miracle
Now I see the light	A miracle
Well I look up to god but I see	I slap the (10) and watch
Trouble 'cause this aint a Miracle	The fish dance in the ripples of us
I just want to take my (4) to live through a	We're just stubborn duds
miracle	Blinking eyes encased in rust
	This aint a miracle
I know for (5) that some one is watching	This aint a miracle
but	This aint a miracle
Is it from up or down	This aint a miracle
I make you (6) you stick (7)	(Ooah)
me although	(Ooah)
You know I'm gonna ruin your life	
I (8) to God as much as I talk to Satan 'cause	
I want to hear both sides	
Does that make me cynical
