Sleeping In The Fire by Wasp

Touch, (1)_____ in the flame's desires

Feeling the pain's denial,

Look, look in the candle light

See in the flame of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the (2)_____ are one

You're sleeping in the fire

Taste the love

The Lucifer's (3)_____ that (4)_____ you numb

You feel (5)_____ it does and you're (6)_____ on love

You're sleeping in the fire

I (7)_____ at the (8)_____ and (9)_____ burn

And cry out the name of which I yearn

[Chorus]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the pain are one

You're sleeping in the fire
