Fill in the gaps

Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, (1)_____ in the candle light

See in the flame of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's magic that (2)_____ you numb

The passion and all the pain are one

You're sleeping in the fire

Taste the love

The Lucifer's (3)_____ that makes you numb

You feel what it does and you're drunk on love

You're sleeping in the fire

I gaze at the (4)_____ and fire burn

And cry out the name of (5)_____ I yearn

[Chorus]

Taste the love

The Lucifer's magic that (6)_____ you numb

The (7)_____ and all the pain are one

You're sleeping in the fire
