### Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, look in the candle light

See in the flame of life

And my (1)\_\_\_\_\_ is our lie

[Chorus:]

Taste the love

The Lucifer's magic that (2)\_\_\_\_\_ you numb

The passion and all the pain are one

You're (3)\_\_\_\_\_ in the fire

Taste the love

The Lucifer's (4)\_\_\_\_\_ that (5)\_\_\_\_\_ you numb

You feel what it does and you're (6)\_\_\_\_\_ on love

You're (7)\_\_\_\_\_ in the fire

I gaze at the (8)\_\_\_\_\_ and (9)\_\_\_\_\_ burn

And cry out the (10)\_\_\_\_\_ of which I yearn

[Chorus]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the pain are one

You're sleeping in the fire
