### Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, (1)\_\_\_\_\_ in the candle light

See in the (2)\_\_\_\_\_ of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's (3)\_\_\_\_\_ that (4)\_\_\_\_\_ you numb

The passion and all the (5)\_\_\_\_\_ are one

You're sleeping in the fire

Taste the love

The Lucifer's magic that (6)\_\_\_\_\_ you numb

You feel what it (7)\_\_\_\_\_ and you're drunk on love

You're sleeping in the fire

I gaze at the flame and (8)\_\_\_\_\_ burn

And cry out the (9)\_\_\_\_\_ of which I yearn

[Chorus]

The passion and all the pain are one

You're (10)\_\_\_\_\_ in the fire
