

Fill in the gaps

Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, look in the (1)_____ light

See in the flame of life

And my (2)_____ is our lie

[Chorus:]

Taste the love

The Lucifer's magic that (3)_____ you numb

The passion and all the pain are one

You're sleeping in the fire

Taste the love

The Lucifer's magic that (4)_____ you numb

You feel (5)_____ it does and you're (6)_____ on love

You're sleeping in the fire

I gaze at the flame and (7)_____ burn

And cry out the name of which I yearn

[Chorus]

Taste the love

The Lucifer's (8)_____ that makes you numb

The passion and all the pain are one

You're sleeping in the fire
