

Fill in the gaps

In (1) brown eyes	If everything was everything but everything is over
I walked away	Everything could be (13) i
In (2) (3) eyes	(14) we were older
Couldn't stay	Guess its just a silly song about you
In (4) brown eyes	And how I lost you
You watch her go	And (15) brown eyes
Turn the record on	Everything was everything
And (5) what went wrong	But baby its the (16) show
What (6) wrong	Everything could be everything
If everything was everything but everything is over	But its (17) to say (18) so
Everything could be everything if only we (7) older	Get your last fix, and (19) last hit
Guess its just a silly song about you	Grab your old bow with your new tricks
And how I lost you	I mean its no surprise I got lost
And (8) brown eyes	In (20) brown eyes
In (9) (10) eyes	In your (21) eyes
I was (11) low	(Brooown brooown) eyes
Cause the (12) eyes	Brown eyes
And you never know	(Brooown brooown) eyes
Got some brown eyes	Got some broown eyes
But a soft face	(Brooown brooown) eyes
I knew that it was wrong	Brown eyes
So baby turn the record on	
Play that song
