Ain't No Rest For The Wicked by Cage The Elephant

I was walking down the street	Money don't grow on trees
When out the corner of my eye	I got bills to pay
I saw a pretty little thing approaching me	I got mouths to feed
She said "I've never seen a man	There ain't nothing in this world for free
Who looks so all alone	I know I can't slow down
Could you use a little company?	I can't hold back
If you can pay the right price	Though you know, I wish I could
Your evening (1) be nice	Oh no, there ain't no rest for the wicked
And you can go and send me on my way"	Until we close our eyes for good"
I said "You're such a sweet young thing	
Why you do (2) to yourself?"	Now a couple hours (6) passed
She (3) at me and this is what she said:	And I was sitting at my house
"Oh, there ain't no rest for the wicked	The day was (7) down and coming to an
Money don't grow on trees	end
I got bills to pay	So I turned on the TV
I got (4) to feed	And flipped it over to the news
There ain't nothing in this world for free	And what I saw I almost couldn't comprehend
I know I can't slow down	I saw a preacher man in cuffs
I can't hold back	He'd taken money from the church
Though you know, I wish I could	He stuffed his bank account with righteous dollar bills
Oh no, there ain't no rest for the wicked	But even still I can't say much
Until we (5) our eyes for good"	Because I know we're all the same
Not even fifteen minutes later	Oh yes we all seek out to satisfy those thrills
I'm still walking down the street	"You know there ain't no (8) for the wicked
When I saw the shadow of a man creep out of sight	Money don't grow on trees
And then he sweeped up from behind	We got bills to pay
He put a gun up to my head	We got mouths to feed
He made it clear he wasn't looking for a fight	There ain't (9) in this world for free
He said "Give me all you've got	I know we can't slow down
I want your money not your life	We can't hold back
But if you try to make a move I won't think twice"	Though you know, we wish we could
I go like "You can have my cash	Oh no there ain't no rest for the wicked
But first you know I got to ask	Until we (10) our eyes for good"
What made you want to live this kind of life?"
