Ain't No Rest For The Wicked by Cage The Elephant

was (1) down the street	Money don't grow on trees
When out the (2) of my eye	I got bills to pay
saw a pretty little thing approaching me	I got mouths to feed
She said "I've never (3) a man	There ain't nothing in (17) world for free
Who looks so all alone	I know I can't slow down
Could you use a little company?	I can't hold back
f you can pay the right price	Though you know, I wish I could
Your evening will be nice	Oh no, (18) ain't no rest for the wicked
And you can go and send me on my way"	Until we close our (19) for good"
said "You're (4) a sweet young thing	
Why you do this to yourself?"	Now a couple (20) have passed
She looked at me and this is what she said:	And I was sitting at my house
'Oh, there ain't no (5) for the wicked	The day was (21) down and coming to an
Money don't grow on trees	end
got bills to pay	So I turned on the TV
got mouths to feed	And (22) it over to the news
There ain't nothing in this (6) for free	And what I saw I almost couldn't comprehend
know I can't (7) down	I saw a (23) man in cuffs
can't hold back	He'd taken money from the church
Though you know, I wish I could	He stuffed his (24) (25) with
Oh no, there ain't no (8) for the wicked	righteous dollar bills
Until we close our (9) for good"	But even still I can't say much
Not even (10) minutes later	Because I know we're all the same
'm still (11) down the street	Oh yes we all seek out to satisfy those thrills
When I saw the shadow of a man creep out of sight	"You know there ain't no (26) for the wicked
And then he sweeped up from behind	Money don't grow on trees
He put a gun up to my head	We got bills to pay
He made it clear he wasn't looking for a fight	We got mouths to feed
He said "Give me all you've got	There ain't nothing in this world for free
want your money not your life	I know we can't slow down
But if you try to make a (12) I won't	We can't hold back
(13) twice"	Though you know, we wish we could
go (14) "You can have my cash	Oh no there ain't no rest for the wicked
But (15) you know I got to ask	Until we close our eyes for good"
What made you want to live (16) kind of life?"
