

## Fill in the gaps

God bless us everyone	No!
We're a (1) people living under loaded gun	And (8) I close my eyes tonight
And it can't be outfought	To (9) of blinding light
It can't be outdone	God save us everyone
It can't outmatched	Will we burn inside the fires of a thousand suns?
It can't be outrun, no!	Oh!
God bless us everyone	Like memories in cold decay
We're a broken (2) living (3)	Transmissions echoing away
loaded gun	Far from the world of you and I
And it can't be outfought	Where oceans bleed into the sky
It can't be outdone	Like memories in cold decay
It can't outmatched	Transmissions echoing away
It can't be outrun	Far from the world of you and I
No!	Where oceans bleed (10) the sky
And when I close my (4) tonight	Lift me up
To symphonies of blinding light	Let me go
God bless us everyone	Lift me up
We're a broken people living under (5) gun	Let me go
Oh!	Lift me up
Like memories in cold decay	Let me go
Transmissions echoing away	Lift me up
Far from the world of you and I	Let me go
Where oceans bleed (6) the sky	Lift me up
God save us everyone	Let me go
Will we burn inside the fires of a thousand suns?	Lift me up
For the sins of our hand	
The (7) of our tongue	God bless us everyone
The sins of our father	We're a broken people living under loaded gun
The sins of our young	And it can't be outfought
No!	It can't be outdone
God save us everyone	It can't outmatched
Will we burn inside the fires of a thousand suns?	It can't be outrun
For the sins of our hand	
The sins of our tongue	
The sins of our father	
The sins of our young
