

Fill in the gaps

(Ooooooh, ooooooh, hey!)	I (16) you to know
It's seventy two degrees, zero chance of rain	The morning's on (17) way
It's been a (1) day	Our friends all say goodbye
We're all (2) on our heels, so far away	There's nowhere else to go
from real	I hope that you'll stay the night
In California, (hey)	(Ooooooh)
We watched the (3) from our car, we all took it	You'll (18) the night
in	(Ooooooh yeah)
And by the time that it was dark	Just like the song on our (19) set
You and me had something, (yeah)	We'll share the (20) of my single bed
And if this is (4) we've got	But it's a different tune that's stuck in my head
Then what we've got is gold	And it goes
We're shining bright and I (5) you	If this is what we've got
I want you to know	Then what we've got is gold
The (6) on it's way	We're shining bright and I want you
Our friends all say goodbye	I want you to know
There's nowhere else to go	The morning's on it's way
I hope that you'll (7) the night	Our friends all say goodbye
(Ooooooh)	There's (21) to go
You'll stay the night	I hope that (23) (24) the night
(Ooooooh yeah)	If this is (25) we've got
We've been singing Billie Jean	Then what we've got is gold
Mixin' (8) caffeine	We're shining bright and I want you
We've got strangers (10) by	I want you to know
And though you're out of tune	The morning's on it's way
Girl you blow my mind, you do	Our (26) all say goodbye
And I'll say I (11) wanna say good night	There's (27) else to go
There's no quiet corner to get to know (12) other	I hope that you'll stay the night
And (13) no (14) I'm a	
patient man	
Is your discover	
Cause if this is what we've got	
Then what (15) got is gold	
We're shining bright and I want you
