

Touch me

## Fill in the gaps

## The Sun Always Shines On TV by A-Ha

Touch me	And (10) all (11) love to me
How can it be	Please don't ask me to defend
Believe me	The shameful (12) of the way
The sun always (1) on TV	I'm drifting (13) (14)
Hold me	time
Close to your heart	(Oh oh)
Touch me	l (15) (16)
And (2) all your (3) to me	(17) today
To me	Thinking there's got to be (18) way
I (4) inside myself and found	To (19) my (20) distant
Nothing there to ease	Touch me
The (5) of my ever worrying mind	How can it be
(Oh oh)	Believe me
All my (6) waste away	The sun always shines on TV
I fear the crazed and lonely looks	Hold me
The (7) sending me	Close to (21) heart
(8) days	Touch me
(Oh oh)	And (22) all (23) love to me
Touch me	Hold me
How can it be	Close to (24) heart
Believe me	Touch me
The sun always (9) on TV	And give all your love to me
Hold me	To me
Close to your heart
