

## Fill in the gaps

In this farewell			I'll face myself		
There is no blood			To cross out		
There is no alibi			What I've become		
'Cause (1)	_ (2)	regret	Erase myself		
From the truth			And let go of		
Of a thousand lies			What I've done		
So let mercy come			For what I've done		
And wash away			I'll start again		
What I've done			And (8)		pain
l'll (3) myself			May come		
To (4) out			Today this ends		
What (5)	become		I'm forgiving		
Erase myself			What I've done		
And let go of			I'll face myself		
What (6)	done		To (9)	out	
Put to rest			What I've become		
What you thought of me			Erase myself		
While I clean this slate			And let go of		
With the hands			What (10)		done
Of uncertainty			What I've done		
So let mercy come			Forgiving what I've	one	
And (7) away					
What I've done
