Watcha drinking?	At times we couldn't shake it
Rum or whiskey?	You're my joy
Now won'tcha have a	Always remember me
Double with me?	We just got (5) up
I'm sorry I'm a little late	You know I didn't forget you
I got your message by the way	We just got swallowed up
I'm calling in sick today	We (6) got swallowed up
So let's go out for old time's sake	But you love that I didn't forget you
I'll never forget you	We just got swallowed up
They said we'd never make it	By the whole (7) world
My sweet joy	Watcha thinking?
Always remember me	Did you (8) me?
We were mischievous	I borrowed your silver boots
And you (1) always (2) black	Now if you'd just let me
I was so serious	Give them back to you
You (3) my boyfriend's mother	I'll never forget you
Nearly had a heart attack	They said we'd never make it
I'm sorry I'm a little late	My sweet joy
You know the (4) on a tiger	Always remember me
Are hard to change	I'll never forget you
I know this world feels	Although at times we couldn't (9)
Like an empty stage	You're my joy
I wouldn't change a thing	Always remember me
So glad you're back again	Don't you know that you're my joy
I'll never forget you	Always remember me
They said we'd never make it	Don't you know that you're my joy
My sweet joy	Always remember me
Always remember me	
I'll never forget you
