

Fill in the gaps

And now the end is near
And so I face the final curtain
My (1) I'll say it clear
I'll state my case of which I'm certain
I've lived a life that's full
I traveled each and every highway
And more, (2) more than this
I did it my way
Regrets I've had a few
But then again too few to mention
I did what I had to do
And saw it through without exemption
I planned each charted course
Each careful step along the byway
And more, (3) more than this
I did it my way
Yes there were times I'm (4) you knew
When I bit off more than I could chew
But (5) it all when (6) was
doubt
I ate it up and spit it out, I faced it all
And I (7) (8) and did it my way

l've loved, l've laughed and cried
I've had my fill, my share of losing
And now as (9) subside
I find it all so amusing
To (10) I did all that
And may I saynot in a shy way
Oh no, oh no, not me
l did it my way
For what is a man what has he got
If not himself then he has not
To say the things he truly feels
And not the words of one who kneels
The record shows I took the blows
And did it my way
Yes it was my way
